

Rebuilding American Infrastructure with Sustainability and Equity (RAISE) Grants

The U.S. Department of Transportation has released a [Notice of Funding Opportunity](#) for \$1 billion in the newly named Rebuilding American Infrastructure with Sustainability and Equity (RAISE) grants, formerly known as BUILD Transportation Grants. Applications will be evaluated based upon criteria that include safety, environmental sustainability, quality of life, economic competitiveness, state of good repair, innovation and partnerships. Eligible applicants for RAISE grants are State, local, Tribal, and U.S. territories' governments, including transit agencies, port authorities, Metropolitan Planning Organizations (MPOs), and other political subdivisions of State or local governments. Applications are due, July 12 at 5 pm ET.

Innovative Technology Strike Teams

The National Center for Applied Transit Technology (N-CATT) is now accepting applications for transit agencies to receive one-on-one technical assistance through the Center's Innovative Technology Strike Teams. N-CATT will work with up to three transportation providers to navigate a technology challenge or opportunity that results in a useful starting product for the agency, such as an implementation plan or ready-to-go technology solicitation. For more information, please visit their [website](#). Applications are due June 9.
